

[1] **RECEIPT FOR THE DEPOSIT OF TECHNICAL FILE**

[2] Equipment Intended for use in Potentially Explosive Atmospheres Directive 2014/34/EU.

[3] Receipt Number: **EXA 18 ATEX D037** Issue **1**

[4] Product: **Screw Pumps,
type HVP (KHVP, BVVP, VVP)**

Technical File Number: **TD-5000.00.00.00**

Technical File Date: **June 2018**

[5] Manufacturer: **MZT PUMPI ad Skopje**

Pero Nakov 126, 1000 Skopje - Macedonia

[6] Ex-Agencija, Notified Body number 2465 in accordance with Article 17 of Directive 2014/34/EU of the European Parliament and of the Council, dated 26 February 2014, herewith acknowledges receipt from the manufacturer of the technical file.

[7] The products listed in article 13 clause 1 b ii) of the Directive, for which a receipt is issued for the deposit of technical file, and for which the procedure for Internal Production Control has been adopted (Annex VIII of the Directive), if the product has a EU Declaration of Conformity, with the exception of its components, and is marked with CE Marking, has the right to be freely put on the market in the EU.

[8] Ex-Agencija does not perform any checks for completeness and correctness of the documents contained in the technical file.

[9] According to the Directive the technical file is deposited for ten years from the date of the last manufactured piece of equipment. In case that a manufacturer's written confirmation for extension of the period of maintaining deposited technical documentation is missing, Ex-Agencija will hold the technical documentation in its archive for **15** years, starting from the date this receipt is issued (**until 27.06.2033.**)

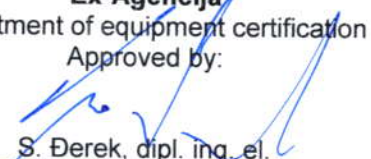

[10] With deposit of technical documentation for above noted period manufacturer has been fulfilled requirements of Annex VIII of the Directive for non-electrical equipment of Category 2 and has the right to put the equipment on the market until **27.06.2023**.
After that date manufacturer has to request extension of the period of deposit of technical documentation.

Date of issue: 27.06.2018.
